Connect and network with the largest U.S. healthcare and IT corporations with international trade interests.

HIMSS'06 Annual Conference and Exhibition attracts more than 700 of the largest healthcare corporations worldwide including 23,000+ attendees from 49 countries who make or influence the purchasing decisions. The entire industry gathers at this internationally recognized event to network and hear the latest on healthcare IT from over 300 educational sessions and workshops.

At the HIMSS'06 International Trade Pavilion, trade ministries from EMEA, the Middle East and Asia Pacific will have an unprecedented opportunity to connect with major U.S. healthcare IT organizations – *right from the floor of the International Trade Pavilion and throughout the entire week of the HIMSS'06 Annual Conference and Exhibition.*

This International Trade Pavilion is your chance to share valuable intelligence with America's industry leaders on how they can develop new business in your market.

For only \$500 (U.S.), you'll receive:

- A platform to give a 45-minute presentation to a group of business prospects from leading corporations and hospitals on a topic of your choice. Topics could include: legal issues; investment opportunities; healthcare trends/issues; tax issues/benefits; business culture; business development strategies, etc.
- Two (2) complimentary exhibitor badges for the HIMSS'06 Annual Conference and Exhibition from February 12-16, 2006 where you can meet new contacts and attract international business.
- On Sunday, February 12, one (1) 8x10 exhibit booth on the International Trade Pavilion floor.
- Recognition of your country's participation in HIMSS'06 conference materials including the Exhibitors' Product/Service Directory and pre-conference HIMSS promotional materials.
